

Multiply Your Crew's Impact—Not Your Costs

Solve short staffing challenges for as little as \$525/month* with SAM BOOST.

Get the Power of SAM—Without Waiting for a New Truck

SAM BOOST brings smart waterflow control to your existing apparatus—fast! It's a compact version of the full SAM system, designed to retrofit your current truck in just a few weeks.

What You Get with BOOST:

- **Automated nozzle control** for up to two hose lines
- **Smarter pumping** with fewer steps and no guessing
- **Hands-free tank switching** and built-in tank level alerts
- **Crew-friendly controls**—perfect for new team members
- **Proven SAM reliability**, now more accessible than ever

Why Departments Love It:

Whether you're short-staffed, training a new crew, or waiting on a new apparatus—SAM BOOST gives you an edge on the fireground right now. No need to wait for a new truck to start using SAM. [Contact your IDEX Fire & Safety sales representative to learn more!](#)
